Before the Court is the Plaintiffs’ Motion for Entry of a Qualified Protective Order. Burg Simpson Eldredge Hersh Jardine P.C., on behalf of all Plaintiffs and claimants participating in the BURG-JFM Resolution Program governed by a Master Settlement Agreement entered into by Burg Simpson Eldredge Hersh Jardine P.C. Specifically, the Parties have retained the Lien Resolution Administrator to perform the following duties and functions: (1) the authority to act as agent for Settling Plaintiffs for the benefit of all Settling Plaintiffs for purposes of claim and/or lien identification and resolution; (2) the authority to provide to, receive from, and disclose to Payers (defined below) certain protected health information and individually identifiable health information related to Plaintiffs in the above captioned-action; and (3) the

Settling Plaintiffs and for the benefit of all Settling Plaintiffs in the above-captioned action for purposes of claim and/or lien identification and resolution of any and all potential recovery claims for medical items, services, and/or prescription drugs with Payers associated with any settlements arising out of the above-captioned action. In addition, the Parties have vested the Lien Resolution Administrator with exclusive authority to administer a process with CMS for the identification and resolution of Medicare Part A and/or Part B fee-for-service reimbursement claims on behalf of all settling Plaintiffs who are or were Medicare entitled.

Having considered the record of these proceedings, the terms of the above referenced Master Settlement Agreement regarding claim and/or lien resolution, as agreed to by the Parties, the arguments and recommendation of counsel for the moving parties and the requirements of law, the Court **GRANTS** the Parties motion as follows:
